# frequently asked questions

## DO WE GET A CHOICE OF VENDORS?

With over 20 years combined experience in the wedding industry we have vetted the best luxury wedding vendors! To allow for a quick planning time frame and at the best possible price, we have selected the best of the best and know they will deliver an unforgettable wedding day.

## HOW CUSTOM CAN WE GET?

We will talk through menus with your catering company, color schemes for your rentals and flowers, and ensure the ceremony is all about you! The flexibility you provide helps us give you the best price point but we want your guests to walk away knowing this wedding was all about the two of you!

## WHAT HAPPENS IF WE LEGALLY CAN'T HOST THE WEDDING?

These past few months have thrown curve balls at all of us. The good news is we know how to handle it! We have worked with all your vendors to abide by all government recommendations to keep you and your guests safe. We will continue to monitor the situation and should new government laws come into effect we will abide by all laws and may need to cancel the planned event. If the event is illegal to be held, refunds will be given up to 2 weeks prior to the scheduled date.
